

GAINS

GLOUCESTERSHIRE'S
ACCELERATED
IMPACT NETWORK
SUPPORT

Are you a
high-growth
Gloucestershire SME
looking for expert
advice to help
drive your business
to the next level?

GAINS, Gloucestershire's Accelerated Impact Network Support, offers you subsidised access to approved business coaches who can equip you with the tools you need for further success.

As part of GAINS, you will also receive invitations to exclusive masterclasses and high-growth specific networking events.

What does being part of the GAINS programme offer you?

Diagnostic Session

Create a bespoke Growth Plan with a business expert.

Subsidised Business Coaching

Coaching has the power to achieve the full high-growth potential of your business by transforming your workplace, expanding your effectiveness and improving your team management. Work with a specially selected coach on your business development needs and objectives over six months and receive a 40% subsidy.

Expert Masterclasses

Learn more about issues including innovation, strategy, people management, finance and new market entry, from industry experts and UoG academics.

Value-Added Network Membership

Be part of an exclusive Gloucestershire-specific high-growth networking group, drawn from entrepreneurial communities across the county.

GET INVOLVED...

This programme is limited to just 220 companies in Gloucestershire. To ensure you benefit from GAINS, email gains@glos.ac.uk or call **01242 715475**

GAINS is a University of Gloucestershire project, part-funded by the European Regional Development Fund (ERDF).
