Guidance notes on applying for an Animal Activity Licence

Guidance Note 1 – Application process

The steps involved in the application process are set out below. Wherever possible, we aim to complete the application process within 10 weeks of receiving the application.

1. The applicant submits their application form and the relevant application fee to the local authority.
2. A suitably qualified inspector will arrange to visit the relevant premises and carry out an inspection to establish if a licence can be granted and what star rating will apply to the premises concerned (the length of licence to be issued will depend on the star rating awarded by the inspector. In the case of a new application you will automatically be considered as high risk.).
3. The applicant is informed of the outcome of the inspection, the star rating that will apply and the length of licence that they have been deemed eligible for.
4. The applicant will receive an invoice relating to the vet inspection fees (if applicable).
5. Once the fee and any applicable vet inspection fees have been received, the licence will be issued for the relevant period of time.

LICENCE APPLICATION FEES FROM 1 ST APRIL 2019		
Breeding of dogs + recharge of veterinary fees		£265.00
Hiring out horses + recharge of veterinary fees		£265.00

Providing boarding in kennels for dogs	Up to 50 dogs	£220.00
	Over 50 dogs	£265.00
Providing day care for dogs (<i>This applies to doggy day care centres providing day care only and not premises that are boarding in a home environment or licensing as providing boarding in kennels</i>)	Up to 50 dogs	£220.00
	Over 50 dogs	£265.00
Providing boarding for cats	Up to 50 cats	£220.00
	Over 50 cats	£265.00

MISCELLANEOUS FEES FROM 1 ST APRIL 2019	
Franchise Licence (<i>Dog Boarding only</i>)(<i>Host fees will also be required in addition to the Franchise licence</i>) *see example below	£105.00
Host Fee (<i>Required per each host family of a Dog Boarding Franchise</i>) * See example below	£125.00
Additional Activity (<i>This fee is in addition to the above licence application fees if more than one activity is undertaken at the same premises</i>) **See example below	£ 42.00
Variation Fee e.g Amendment to a licence	£ 25.00
Inspection Fee (<i>This fee is payable if an inspection is required in addition to the initial inspection included within the licence application fee</i>).	£115.00
Re-Rating Fee (<i>Inspection and licence amendment for re-rating of the current star rating</i>)	£125.00

* Franchise/Host Fees

If a Franchise company has 4 host families within the Forest of Dean District the fee would be **£105.00** (franchise licence fee) + **£500.00** (4 x £125.00 host fee) therefore the total fee payable would be **£605.00**. Each time an additional host family is added throughout the term of the licence a host fee of **£125.00** + a variation fee of **£25.00** would be payable which would be a total of **£150.00**

** Additional Activity Fees

If a premise is undertaking more than one activity the higher fee of the two activities must be paid together with an additional activity fee of £42.00. Therefore if you are providing boarding in kennels for 52 dogs and providing boarding for 30 cats you are required to pay **£265.00** (kennels) + **£42.00** (cattery) therefore the total fee payable would be **£307.00**. The higher fee of the two activities is always required as the main activity and the lower fee of the two activities is charged at the additional fee rate.

Guidance Note 3 – Star rating and length of licences

The regulations and associated guidance introduce a risk-based system that must be used when issuing animal activities licences under the regulations, with the exception of “Keeping or Training Animals for Exhibition” where all licences are issued for three years. This system is used to determine both the length of licence and the star rating to award. These are expected to be followed in full.

The purpose is to ensure consistency in implementation and operation of the licensing system by local authorities, and to ensure that consumers can be confident that the star rating applied to businesses is an accurate reflection of both their risk level and the animal welfare standards that they adopt. The scoring matrix is shown below:

Scoring Matrix		Welfare Standards		
		Minor Failings (existing business that are failing to meet minimum standards)	Minimum Standards (as laid down in the schedules and guidance)	Higher Standards (as laid down in the guidance)
Risk	Low Risk	1 Star 1yr licence Min 1 unannounced visit within 12 month period	3 Star 2yr licence Min 1 unannounced visit within 24 month period	5 Star 3yr licence Min 1 unannounced visit within 36 month period
	Higher Risk	1 Star 1yr licence Min 1 unannounced visit within 12 month period	2 Star 1yr licence Min 1 unannounced visit within 12 month period	4 Star 2yr licence Min 1 unannounced visit within 24 month period

Further detailed information on the risk-based system and the standards that are required to be met can be found on our website. <https://www.fdean.gov.uk/business/licences-permits/animal-licences/>

Guidance Note 4 – Appeals against star ratings and requests for re-inspections

There is an appeal process if you are not satisfied with the star rating your business is awarded. Further details of the appeal process are available on request. Please email ers@publicagroup.uk if you wish to receive further information.

If a business takes steps to improve the welfare standards it adopts and wishes to apply for a re-inspection in an attempt to achieve a higher star rating, this is also possible. You will need to make a request for a re-inspection in writing outlining the case for re-inspection. This written request should indicate the actions that have been taken by the business to improve the level of compliance or welfare since the inspection and, where appropriate, should include supporting evidence. Those requesting a re-inspection will also need to pay the relevant inspection fee.

Guidance Note 5 – Refusal of licences

If the applicant is failing to meet the required standards to enable a licence to be granted, we will work with them to explain the issues and assist them in meeting the standards. However if the required minimum standards are not subsequently met then the application will have to be refused. If an application for a licence is refused, the applicant has the right to appeal against the decision to the First-Tier Tribunal.
