Subject: FAO April Seabrook - Mitcheldean NDP Regulation 14 Public Consultation Notice - Highways England's Comments

Dear Sir/ Madam,

Thank you for providing Highways England with the opportunity to comment on the Mitcheldean Neighbourhood Plan Regulation 14 Pre-submission Consultation. Highways England is responsible for operating, maintaining and improving the strategic road network (SRN) which in this case consists of the A40 to the north of the plan area.

As the plan area is some distance from our network, we are therefore satisfied that the proposed plan policies are unlikely to result in developments which will impact significantly on the SRN and we have no comments to make. However, this response does not prejudice any future responses Highways England may make on site specific applications as they come forward through the planning process, and which will be considered by us on their merits under the appropriate policy at the time.

We would also like to be kept updated on future plans.

Regards,

Chrystèle Garnier, Administrator
