

IS034 - REDMARLEY - DYMCK

Review of existing national speed limit in place along the Causeway.

Limited opportunity to provide new foot/cycleway provisions along Durbidge Rd due to highway width.

Crossing improvements such as dropped kerb tactiles at the Crowfield Lane / B4215 junction to allow access from the existing footway on the eastern side of the B4215.

Way finding and surfacing works required to utilise an existing path connecting Durbidge Rd to the south with Chapel Pitch via an unnamed lane.
