

FESNP PUBLIC CONSULTATION EVIDENCE

Forest Edge South Neighbourhood Development Plan
 Published by Elaine Highfield · 3 March ·

VERY IMPORTANT UPDATE - FINAL PUBLIC CONSULTATION
 The Forest Edge South Neighbourhood Plan is being overseen by West Dean Parish Council and covers the six villages of Whitecroft, Parkend, Pillowell, Yorkley, Viney Hill and Oldcroft. For more than 5 years the volunteer steering group from all these villages have worked hard, with our nominated planners DLP, to complete this process which will give more influence over really important issues like the type and number of houses being built in our villages.

We are now almost ready to invite everyone to see what has been produced and to have your say on the Draft Plan. There will be more public consultations, this time in Parkend, Pillowell, Yorkley and also at West Dean Centre in Bream during March, April and May.

Can you help with distributing flyers about these consultation events to all homes in our six villages? Are you part of a walking group, do you like walking for exercise or would you just like to be part of this very important project.

Please contact Elaine on 01594 563479 or Steve on 01594 562638 if you can help.

Forest Edge South Neighbourhood Development Plan

Published by Elaine Highfield · 2 d ·

The Steering Group of the Forest Edge South Neighbourhood Plan would like to thank everyone who has been part of this process since we started in 2017. The people that came to the consultation events held in Yorkley and Parkend have shown considerable interest in this Draft Plan and made very useful comments and suggestions. These will form an important part in updating the draft before it gets submitted to FODDC.

YOU CAN STILL HAVE YOUR SAY.

There is a display at West De... [See more](#)
