Subject: P0672/25/OUT - Sustainability (Trees) re-consultation response

Tony,

Following the submission of additional information to support planning application number P0672/25/OUT, Sustainability (Trees) have been re-consulted to provide comments. Upon reviewing this newly submitted information, it is considered that the comments and recommendations that were made in my previous consultation response, dated 10-07-2025, remain unchanged. Therefore, Sustainability (Trees) have no additional comments or recommendation to make with regards to this newly submitted information.

Kind regards

Stuart Payne
Assistant Tree & Countryside Officer
