

ATC025 Lydney Rd, Yorkley

Lydney Road to include an extended 20mph speed limit to the junction with Bailey Hill, operational at all times with traffic calming, surface treatments in proximity to the primary school to create a mixed-use street.

Enhanced waiting area at the bus stop south of Yorkley Primary School to provide dwell space for waiting users and cycle stands, with dropped kerb tactile crossings to it from the western Lydney Road footway.

Review speed limits on approach to Lydney Road from the south to support the 20mph zone, include entry gateways, surface treatments and signage.
