

IS024 - A48 - AYLBURTON - ALVINGTON / WOOLASTON

Assess the feasibility of creating a shared-use footway/cycleway along the northern side of the A48, utilising the existing grass verges.

Opportunities to provide pedestrian / cycle crossing facilities near existing bus stops should be considered, including reducing the carriageway speed limit or providing traffic calming.

Provision of cycle stands should be provided at bus stops and other key destinations along the route.
